RE: **Update to the Board**

Date: June 17th, 2024

General

- Pot Hole Repair Work is underway on North Shore Drive
- Starting project of digging out all ditches on 51st Avenue in Moline
- Replaced 30' Culvert on 33rd Street

Personnel

- Chris Best and Gary McLean are busy daily with mowing ditches
- Jim Nichols is busy with Max and Austin from the youth program trimming trees and ensuring culverts clear

Equipment

- Excavator, Skid Steer, and Trailer all have been delivered and in working order. The new “used” equipment has been so very helpful logistically we can get to locations and work more effectively and efficiently.
